built a SOLID WALL around themselves to prevent THEIR SOVEREIGN PEOPLE and the people's representatives, the Congress, from inquiring into their activity, whether it be for or against the U. S. These bureaucrats maintain that this procedure is FOR SECURITY. And the President of the U. S. issues "executive orders" that they must not be inquired into or investigated. WHY? Because this would be against "SECURITY." But whose "security" would be rendered INSECURE? No one's but infiltrators' within these departments. And to maintain their SECURITY in any of these departments, any one endowed with courage and imbued with love of his native land who would make known to an appropriate committee of the people's Congress their leanings towards communist setups, would be discharged as FETID MATTER.

I have just finished reading a book by General Arturo Espaillat. In 1957 he was appointed Major General and Secretary of State Security in the Dominican Republic by Trujillo. He was also a graduate of West Point. In this book "Trujillo: The Last of the Caesars," he narrates how the C.I.A. and the U. S. State Department made the setup for the assassination of Trujillo, the President of the Dominican Republic.

REMEMBER THAT THE C.I.A. and THE STATE DEPARTMENT WERE JOHN F. KENNEDY'S ADMINISTRATIVE ARMS.

This same C.I.A. and the U. S. State Department are admittedly THE CAUSE of the entrenchment of atheistic communism through Castro in Cuba. And John F. Kennedy PUBLICLY took the blame for the failure to drive Castro and his followers out of Cuba. And after the fiasco of The Bay of Pigs and the return of some 1200 Cubans captured in that double cross, in a speech to them in Miami Stadium he promised them that help would be forthcoming to aid them to redeem their native land; but instead he made it a crime for any one to attempt to drive from Cuba, Castro and his communist setup in that country. And JFK, acting as the Commander-in-Chief of the U. S. Army and Navy, spent MILLIONS of dollars earned through the taxpayers' sweat in putting on a MAKE BELIEVE SHOW by rattling heavy Army material and men across the country into Florida. And all this rattling turned out to be GIVING A FREE HAND TO CASTRO to murder Christians and to steal their property. Of course JFK received the plaudits of THE JEW controlled press and their broadcasters as a genius for avoiding war. But never was he rebuked by these for helping Castro to set up ANTI-CHRISTIANITY IN CUBA.

And it was publicly reported in the Press that the C.I.A. was giving \$250,000 a month to the Revolutionary Force in Vietnam to make the set up for the assassination of the Catholic President and his brother. Furthermore our State Department expressed joy and satisfaction in the Press over the assassination, because it would make it easier for their plans to work out.

And when the United Nations was meddling in other people's affairs in Africa, it was running out of funds to carry on, so JFK practically took an oath stating that the U. N. would receive U. S. CASH to carry on and to FORCE Christians in Katanga by MURDER, etc. to submit to communist rule.

So JFK aided and abetted the establishment of an ANTI-CHRISTIAN SET UP IN THAT PART OF AFRICA.

JFK had a friendly meeting with Romulo Betancourt, the President of Venezuela, who was Castro's partner in starting a riot in Bogota, Colombia in 1946. At that time Betancourt and Castro left the Colombian city in such a hurry, they left all belongings behind. In these the police discovered that both were card carrying communists. Back in Venezuela Betancourt avowed that he had given up communism; he was now a Socialist. He was then elected president of that country. As long as he was President, the

communists continued to entrench themselves. And just as in Cuba, the Commander in Chief of the U. S. Navy, JFK, ordered the Navy to also protect communist entrenchment in Venezuela. The evidence for this is irrefutably true as reported in the Fort Lauderdale News of Florida by Fernando Penabaz.

And no doubt JFK's 90 appointed anti-christian advisors in key administrative positions urged (or seduced) him to travel on this anti-christian road. These 90 being anti-christians, certainly Christian advice could not be squeezed out of them any more than could blood be squeezed out of a turnip.

Now this is only a small part of JFK's activity abroad, plus what Eisenhower, Truman and Roosevelt had already done to help establish atheistic communism, that is, MODERN JUDAISM, in many nations of the world.

You remember that Rabbi Stephen S. Wise, Sr. so spoke of THE IDEALS OF COMMUNISM and JUDAISM that we have to conclude that they are interchangeable or IDENTICAL.

Now for a quick glance at JFK's communist dealings at home.

John Fitzgerald Kennedy took under his presidential wing the NAACP, A JEWISH FOUNDED, JEWISH FINANCED AND JEWISH CONTROLLED ORGANIZATION whose objective is Marx's Classless Society to be established by class warfare. This "TOGETHERNESS" has not been heard of since the catastrophe of the Tower of Babel. The first president of the NAACP was a Jew, Joel Spingarn. He was succeeded by his brother Arthur who still is President. Among its Vice-presidents were—Herbert Lehman, now deceased at 83, James P. Warburg, Bernard Baruch and Arthur Sulzberger of the N. Y. Times, ALL JEWS; ALL ANTI-CHRISTIANS posing, as Saint Paul said they would, "as Ministers of Justice" to deceive Christians to work unwittingly for the breakdown of their Christian civilization. Of course this is the objective of communism and its original FINANCIER, John Jacob Schiff of the Kuhn & Loeb Jewish estab-

lishment of New York City. And we must never forget Rabbi Stephen S. Wise, Sr. for he is an authority that helps us to identify what communism embodies and embraces. For he said "You call it communism, I call it Judaism"—meaning MODERN JUDAISM since the year 70 A.D. And on another occasion he had the forthrightness to say, "The ideals of communism are perfectly consonant with the highest ideals of Judaism"—again meaning MODERN JUDAISM. So communism and modern Judaism are simply two words that mean the same thing.

Now when John Fitzgerald Kennedy pledged his presidential powers and influence to this Talmudic-Pharisaic-communist front organization to push for legislation that would help it achieve its objective, he was actually "furthering" communism in his own country.

And whether John Fitzgerald Kennedy knew it or not, he, under the influence and pressure of 90 Anti-Christian advisors, was ignoring the prophetic warning given by Pope Pius XI in 1937 in his Encyclical on Athesitic Communism:

"Let Catholics beware! Communism is intrinsically wrong and no one who would save Christian civilization may collaborate with it in any undertaking whatsoever.

"Those who are deceived and furthering its spread IN THEIR OWN COUNTRY will be the First Victims of its terror

"In the beginning Communism showed its true colors. It no longer does so. It employs various forms of trickery, hiding its vicious purpose behind ideas that are good in themselves.

"Knowing the desire for world peace, its leaders pretend to be advocates of peace. At the same time they stir up class warfare and build big armaments. Under different names that do not suggest Communism, they form organizations and publish magazines to carry Communism into places that the straight teachings of Communism could never reach. They even attempt to slip into Catholic groups. Again they invite Catholics to join them in works of 'charity and justice'; and often making proposals entirely in keeping with the spirit and doctrines of the Church . . ."

So John Fitzgerald Kennedy, we may say in all charity, was deceived and furthered the spread of communism in his own country and became the first victim of its terror.

John Fitzgerald Kennedy was assassinated on Nov. 22, 1963. How soon other aiders and abettors will follow is a question.

To any discerning mind the assassination was a plot. And because the KEY incidents happened so rapidly, and because the conspirators were so far in the background, they could not completely manage the news or the actions in the news. However they had it set to be MANAGED. Their plans went awry. They did not expect Oswald to be arrested so quickly for the murder of the policeman. This is an example of how Divine Providence steps in to help us to reflect on who may be the pilot steering our Ship of State on towards the ROCKS.

Strangely enough, about ten or fifteen minutes after it was announced that the President was shot, Walter Reuther was on the air blaming the Conservatives and Segregationists, the Birchites and the Extreme Rightists,—"The Purveyors of Hate," as being the cause for the assassination of the President, John Fitzgerald Kennedy. And within a half hour Hale Boggs, the U. S. Representative from Louisiana, with whip in hand, was handily located to make a broadcast repeating the same thing. And strangely enough a newscaster in Miami announced that FIVE MINUTES after the newscast that the President had been shot, the Moscow Radio announced what Reuther and Boggs and Brinkley had proclaimed as the reason for the assassination. (Perhaps the direct private telephone between the White House and the Moscow Palace might have been a convenient quickie instrument.)
